222.65 Investigation.

If an application is made for placement of a person in a state resource center or special unit, the administrator shall immediately investigate the legal settlement of the person and proceed as follows:

- 1. If the administrator concurs with a certified determination as to legal settlement of the person so that the person is deemed a state case, the administrator shall cause the person either to be transferred to a resource center or a special unit or to be transferred to the place of foreign settlement.
- 2. If the administrator disputes a certified determination of legal settlement, the administrator shall order the person transferred to a state resource center or a special unit until the dispute is resolved.
- 3. If the administrator disputes a certified determination of legal settlement, the administrator shall utilize the procedure provided in section 225C.8 to resolve the dispute. A determination of the person's legal settlement status made pursuant to section 225C.8 is conclusive.
